

## \$2,500,000 MORE GOLD FROM CANADA

### Morgans Have Now Imported \$17,500,000—No Signs of Letup in Flood.

The gold import movement from Canada was increased yesterday by \$2,500,000 which arrived from the Bank of England depository in Ottawa. The gold was imported for the account of J. P. Morgan & Co., who since the movement began are known to have brought in \$17,500,000, including yesterday's shipment. It is also understood that the same firm has imported about \$5,000,000 of which no official announcement has ever been made.

The present known total of gold imported from all sources since January 1 now amounts to \$85,545,000, which means that this country has received back practically one-half of the \$171,043,000 which it exported to England, France and Germany last year. The movement shows no signs of letting up at present. It is not improbable to suppose that \$100,000,000 will come into this country before the flood of gold from Canada stops.

In the exchange market was light yesterday and there was little fluctuation in prices. Exchange on London and Berlin was unchanged, while Paris and France and Italy were fractionally higher. Foreign exchange brokers said that the rise in French exchange was due to the reports that France was back practically to normal. It was understood that France had advanced on cables reports of conference between British and Italian financial representatives.

Steel exchange was unchanged at 47.5-48 for demand and 47.5-47.5-48 for checks and 5.43 for cables, as compared with 5.43 for the former and 5.43 for the latter on Tuesday. Marbles were unchanged at 82 1/2 for eight drafts and 82 1/2-16 for cables. Italian lire advanced from 5.92 to 5.92 1/2, while Austrian kronen remained unchanged at 35.40.

## SENTENCE ASKED FOR NEW HAVEN LAWYER

### D. Robbins Has Proved His Own Guilt.

Through his efforts to escape prosecution for conspiring with twenty other defendants to violate the Sherman law, Edward D. Robbins, formerly the legal chief for the New Haven system, put himself in a position which may require Judge Hunt of the United States District Court to declare him technically guilty without trial.

Robbins based his plea of immunity on testimony he gave before the Interstate Commerce Commission at Washington and before the Federal Grand Jury. The plea was denied by Judge Hunt and the Government attorneys now insist that Robbins is guilty pro forma, having of necessity admitted in his plea the commission of certain acts with which he was charged.

Assistant United States Attorney-General Frank M. Swacker, R. L. Butts and Assistant United States Attorney R. L. Stephenson appeared before Judge Hunt yesterday to press their point that Robbins should be declared guilty pro forma and sentenced immediately. If the charge were a felony, Mr. Swacker argued, Robbins, under the law might be given another chance to plead not guilty, but the fact that the charge was misdemeanor left no alternative with the court other than to consider the defendant guilty.

Judge Hunt replied that a court of first resort would naturally be reluctant to hold a man guilty under such circumstances in an important case unless the law gave the Judge no discretion in the matter. He asked the Government attorneys to submit a brief elaborating his argument that the court had no latitude of judgment under the circumstances.

Addition S. Pratt, attorney for Robbins, argued that although his client may have admitted certain facts charged against him he certainly did not admit that these facts were a violation of the Sherman law.

### RUMELY NOTES COMING IN.

The Rumely noteholders committee announced yesterday that a substantial amount of the two year 6 per cent convertible gold notes of the M. Holders who have not already deposited their securities may become parties to the deposit agreement of May 25 without penalty by depositing notes with the March 1, 1915, and all subsequent coupons attached or before July 1.

### CUSTOMS RECEIPTS YESTERDAY.

The total receipts at the Custom House for duties yesterday were \$513,393.47, of which \$198,757.75 were merchandise withdrawn from bonded warehouses and \$314,635.72 for recent importations.
